NATURE

Why Choose CRIZERA

The Best Possible Roof Tiles

Our passion is to create the best tile possible, a symbol of premium roofing.

A Promise of Performance

We believe in our roof tile products, which outperform virtually any roofing product on the market today.

Uniquely Crafted to last for Ages

A genuine tile roof has a story to tell, a tale of legendary craftsmanship and uncompromising values.

Inline with Latest Trends

Our products keep pace with the latest trends in the market. We adopt the state of art technologies which are in the industry.

Vast Range of Colours and Profiles

Crizera Roof offers the most comprehensive range of colours and finishes available in the Indian Market today.

Unparalleled Quality

During the production process we submit each item to rigorous and daily quality control checks.

CRIZERA[®]

High Quality Roofing Tiles

STANDS OUT FROM THE REST

Over the last ten years, Crizera has consolidated its position as market leader in India and one of the main manufacturers in the Asian arena, on the strength of R&D & investments and new product developments that reflect the requirements, habitat and architectural style of each market it is present in.

At Crizera the future is made today.
